

Beyond the Basics

“THE SECOND STEP FOR THE NEWER GOLFER”

Creating a better game.

“BEYOND THE BASICS” SERIES INCLUDES THE FOLLOWING

Class Information

There is a lot that goes into learning the proper technique of the golf swing. These fundamentals take time to become habits and continuing your improvement under the guidance of a golf instructor is paramount in your quest to play the game more effectively. The basic strokes acquired in Beginner 101 will now be refined in a smaller group setting with more personalized attention using Video Analysis and practice drills tailored to your full swing and short game. This class will also simulate on course situations in order to help you become more comfortable playing in a foursome, implementing the basics of golf etiquette and keeping proper pace of play.
